Age

We realize age is not always a guide to classroom placement. If you have questions or concerns about your child's placement, please contact us at childrens@spconline.org.

Registration and Allergies

We ask that parents complete a Registration Card for each child, available at the Children's Ministry Welcome Table in the Sanctuary Hall or email childrens@spconline.org. Whenever possible, we make an effort to be a nut-free environment (we do serve occasional snacks).

6th-12th Grade

Beginning in October, students will attend worship together on the first Sunday of each month for communion. We will not meet November 15 or 29.
